

CSR Scorecard STANLEY Security Nederland B.V.

This CSR Scorecard displays performance on important CSR issues for several companies. The issues presented have been selected by FIRA based on market analysis and expert judgment, and may also be based on the issue analysis (for Extended CSR Reports) and/or materiality analysis (including stakeholder feedback for Complete CSR Reports) executed by these companies. Each issue is explained, click on the word 'Explain' and read the explanation of the issue and related expectations. The score per issue is based on transparency and evaluation of "impact": when a company adds policies, programs and measures the score will grow providing they show tangible impact on the issue.

For added details on the 'scoring methodology' we refer to the [manual](#). Final scores are determined based on FIRA expert judgment. Next steps to accomplish more sustainable business are identified by FIRA.
